- Sales were strong for such residential customer products as the updated version of the Robot Cleaner SiRO and the compact water purifier that attaches directly to the faucet.

Care Service (5 businesses)

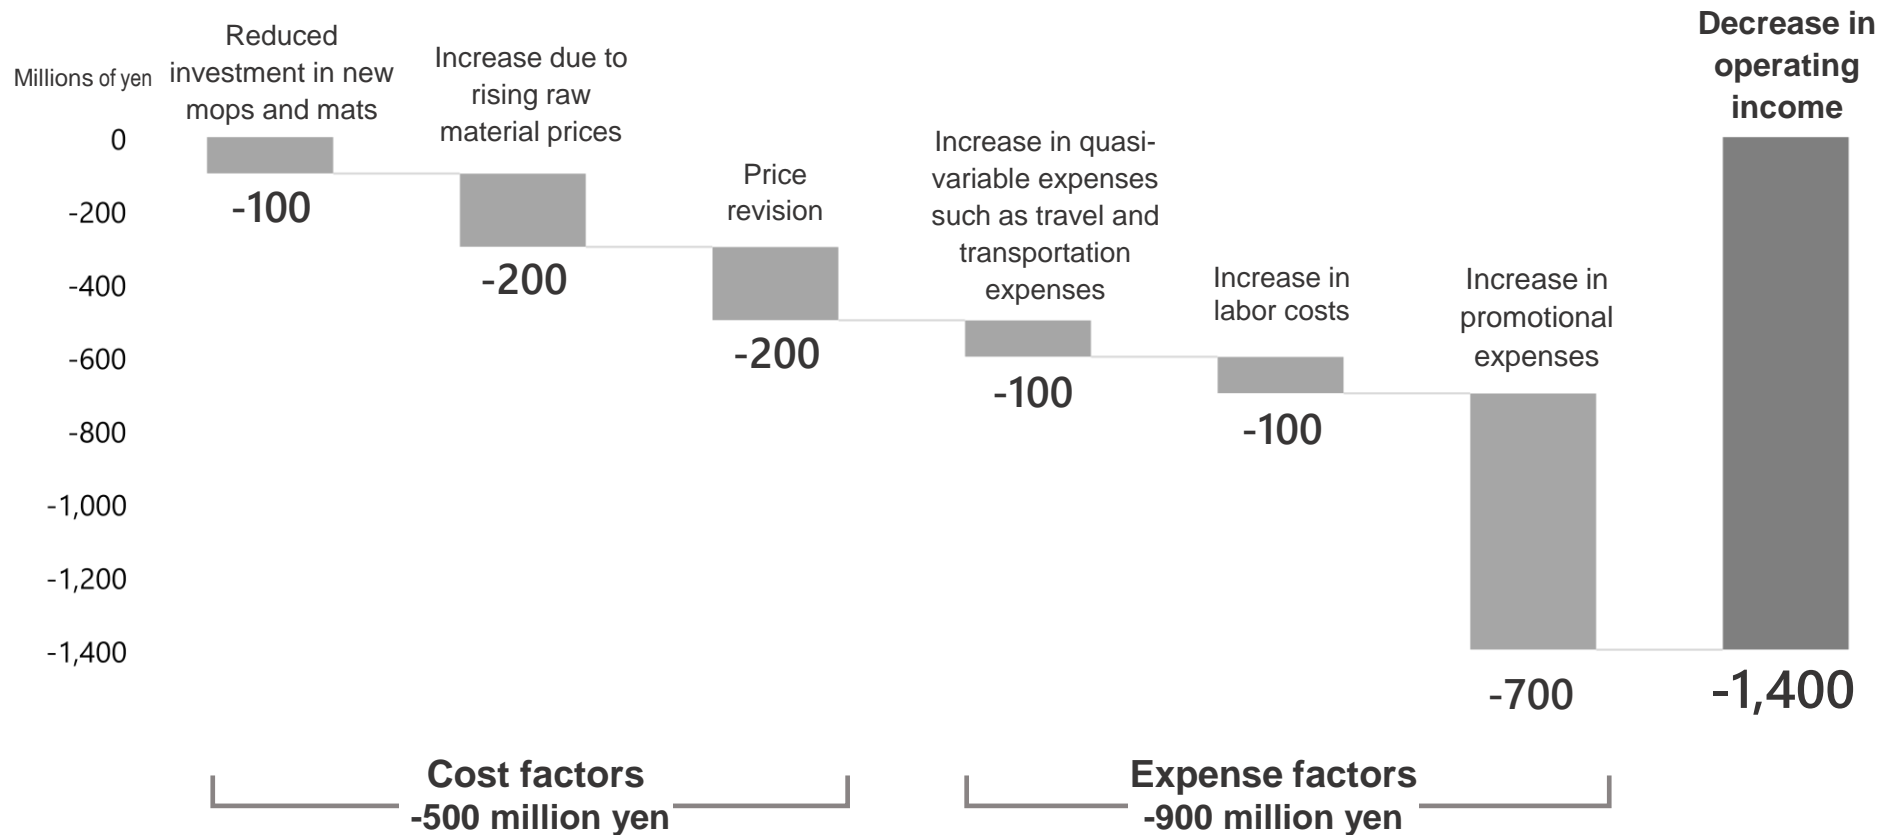

- Despite the drop in ServiceMaster sales, which last year benefited from orders related to the Tokyo Olympics, sales for the other four businesses increased.

Other Direct Selling businesses

- Sales declined for Rent-All, which last year received large orders for Event Hygiene Services and services related to the Tokyo Olympics. In addition, sales declined for cosmetic-related businesses, but sales increased for Uniform Service, Health Rent and Duskin Life Care.

A decline of 500 million yen due to the raw material price hike and actions taken in response to product price revisions (the free distribution of kitchen sponges).
